

Think outside the pill box. Just add water.

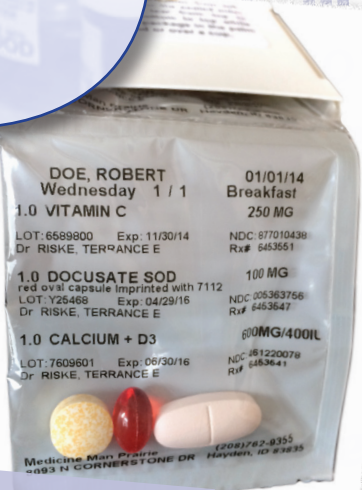

Are you having trouble remembering if you took your medication when you were suppose to?

Talk to a Medicine Man pharmacist about the MedPax Drug Packaging Service.

Think Outside the Pill Box

We collect, verify, synchronize and review all your prescriptions.

Medications are packaged by dose, date and time of day to be taken.

**All of the health.
None of the hassles.**

Managing your medications has never been easier!

Turn this Into this!
