

# What Sets Us Apart

**SELECTIVE:** It's all about the caregivers—we use a 5-Star screening process with a thorough 50-state, multi-jurisdictional background check using a private investigator.

**CUSTOMIZED:** Caregiver skills are tested to ensure they can take care of our clients' make consistent, on-going Quality Assurance checks to ensure the caregiver is a good fit in terms of skills and personality.

**ELITE CARE TEAM:**

We are very picky—only 2 out of 10 applicants are good enough for our caregiver team.

**VERSATILE:** No deposit to start services, Caring for all ages: infants to seniors. No extra cost for nights or weekends.

**RESPONSIVE:** We answer our phones 24-hours a day, 7 days a week.

**EXPERIENCED:** Personal Care Providers, Home Health Aides, Certified Nurse Assistants & Certified Dementia Specialists with continuous training by RN's to keep their skills sharp.

**ACCOUNTABLE:** Telephony system accurately tracks & records caregiver service hours.

*"I have worked with various home care agencies but have never experienced the responsiveness and compassion that I have found with Homewatch CareGivers. There is no one quite like Homewatch CareGivers. They consistently go the "extra mile" for my clients and me no matter what the need. I trust them explicitly and recommend them without hesitation."*
